

"Henry Franci Night" At S. F. State Game - See Sports

S.J.S. Residence Credit Here Next Summer

Hartnell Summer Session Equals San Jose State's

Hartnell College summer session students henceforth will receive full residence credit from San Jose State College rather than extension credit, it was learned today from Mr. John B. Lemos, Hartnell president.

In a letter from Harold H. Seyferth, co-ordinator of the San Jose State College extension services, came word of this new ruling, which will be welcome news to the hundreds of teachers and students in the immediate area surrounding Hartnell College. Hitherto, only extension credit was granted to students attending San Jose State summer session on the Hartnell campus. Thus, courses taken at Hartnell's summer session will be regarded as having been taken at San Jose State College.

The problem of summer session credit as it pertains to the Hartnell College campus was presented during the October 29-30 meeting of the Council of State College Presidents. A vote was taken, and it was moved, seconded, and carried to give residence credit to students enrolled in the 1953 session at Hartnell.

"I count this a great victory for common sense and a testimony to the fine work Hartnell is doing in providing educational services to its community," stated the San Jose official in his letter of notification.

Present plans call for officials from both institutions to confer soon in Salinas on the 1953 summer session details. Meanwhile survey material is being prepared by college officials to be sent to teachers in the four counties normally covered by the Hartnell district. Teachers will then have the opportunity to express their choice of courses.

Four previous summer sessions have been held at Hartnell College. The University of California sponsored an extension service for the three summers of 1948, 1949, and 1950. San Jose State College conducted the 1952 summer offering.

Hartnell Invited To Marin Dance

Invitation to all Hartnell College students to attend the after-game dance at Marin next Friday night has been extended by the Social Activities committee at Marin. In a letter to the Hartnell Associated Students, it was stated that all Hartnell students would be welcomed, and that student body cards would be honored.

With the invitation to attend the dance, an invitation was also extended to present any talent which might be willing to make the trip to appear during the intermission program. No further details were available to Panther Sentinel at press time.

Students Benefit From Insurance

Thus far this year 25 students have benefited from the student insurance plan paid for by the student body cards, with the claims so far amounting to \$265.50. Football injuries have accounted for the claims thus far, but other injuries are covered by the same policy.

The policy, paid for out of the money taken in for student body cards and thus covering every student body card holder, is issued by Lloyd's of London. It covers all injuries sustained while the student is engaged in any of the college's curricular or extracurricular activities, including sports; but a report must be filed by the student (Continued on Page 3)

Interclub Council

Constitution Amendment On Agenda

Amendment to the Interclub Council constitution will hold a place on the agenda at today's meeting in Room 2 at 12:15. The amendment which was proposed at the meeting of last week, has been posted on the main bulletin board during the latter part of this week, and would revise the section affecting the combination duties of the Interclub Council vice-president, who also serves as Interclub Council representative to the student commission, by creating a separate office of representative to the commission.

The amendment would alter the following sections of the constitution to read as follows:

ARTICLE III

Officers and Their Duties

Section 1. There shall be four officers: president, vice-president, secretary-treasurer, and representative to the commission.

Section 2. Their duties shall be as follows (a. and c. are unchanged):

b. The vice-president shall act in the absence of the president.

d. The representative to the commission shall represent the Interclub Council as a commissioner.

"Therese" In Finale Tonight

Suspenseful Production Succeeds Twice Despite Casting Handicap

"Therese," the suspenseful first production of the 1952-53 season for the Hartnell Players, will appear in its final performance in the Hartnell College Little Theater tonight. Despite an injury to Bill Garey last week end, which necessitated an emergency replacement in the cast, Mr. Hal Ulrici,

director, has presented this adaptation of the Emile Zola novel in a Wednesday matinee, and an evening performance last night.

Myrtlerose Craig was magnificent as the witty, over-anxious Madame Raquin in the matinee presented to a student audience Wednesday afternoon. Miss Craig's anxiety was derived from two sources, one being the sickly son, Camille, played by Paul Edwards, and a pair of bad arteries coupled with a tense, rocky relationship with other characters. In playing Camille, Paul Edwards was an amazingly good emergency replacement for Mr. Garey.

The romantic leads, Gladys Fagundes as Therese, and Ray Welch, as Laurent, were consistent in holding character and building the suspenseful plot to a stormy climax, with Miss Fagundes having an edge in experience. Tops among the other characters was Paul Brown as Inspector Michaud. Rounding the well-tutored cast were Ronald Rosenberg as Grivet, Bernita Merritt as Madame Louise, and Mary Ann Baldwin as Suzanne. (See picture on Page 2.)

Ulrici To Lead Yell At 1 o'Clock

A rally will be held today in the Men's Gym at 1 o'clock to warm the students up for the San Francisco State Junior Varsity game tomorrow night. Commissioner of Rallies and Assemblies Hector Burke is in charge of preparations.

On the agenda for the hour are yells led by Chic Chase and Mr. Hal Ulrici, introduction of the team captains, and entertainment as planned by the rally committee.

All students are urged to attend the rally to show the team that the student body enthusiasm remains at a high pitch.

Newmans To Sponsor Rose Petal Dance

"Rose Petal Hop" will be the theme of the Newman Club dance to be staged after the San Francisco State J.V. - Hartnell football game tomorrow night. Dancing will be done to the strains of popular records at the affair in the Men's Gym.

Decorations for the fifth after-game dance of the year will follow the theme of the faint hopes the Hartnell football team has for a bid to the "Little Rose Bowl."

As We See It

By DICK JOHNSON

"Henry Franci Night," which is being staged in the Salinas high school stadium with tomorrow night's football game, is one of the best things to happen to Hartnell College this year. This rightful honoring of a deserving citizen by other citizens, who wish to do their share in bringing the desire to aid Hartnell to the attention of the public, is a great public relations move for the college.

In appreciation to both Franci and to the sponsors of the "Gift Game" the Student Commission of Hartnell made a special appropriation to purchase a fine gift for the assistant coach, during its last meeting. Choosing the gift for the Associated Students were Ken Van Cleave, Ramona Eris, and David Lewis.

We of Panther Sentinel wish to join in honoring Mr. Franci, and to urge all students to contribute any small amount possible to the box which will be placed near the main gate of the stadium tomorrow night.

SPIRIT NEEDED

(Continued on Page 2)

Students Count Votes At County Courthouse

Thirty-one Hartnell students were signed up to help with the tabulation of election results last Tuesday, November 4. These students presented themselves at the County Court House at 7 o'clock in the evening, and were put to work counting the Salinas votes in the national election.

The students who signed up to help were David Alsop, Phyllis Avila, Bob Azcona, Annabeth Bird, Barbara Brem, Hector Burke, Marian Cahill, Nancy Carr, Darlene Clizbe, Jeanine Craddock, Robert

Dunn, Ramona Eris, Ed Friar, Bill Hall, Robert Hawkins, Wayne Heple, Jess Irvine, Kathryn Kerr, Mayme Lipsett, Pat Nielson, Richard Oliver, May Osugi, Dorothy Robinson, Margie Ruso, Rudy Sun, Frances Taylor, Carl Triplett, Jan Walker, James Wall, Annamarie Young, and Yvonne Yutz.

The halls of Hartnell itself were occupied by a set of voting booths, and a steady stream of voters was seen utilizing the right to vote, and thus assuring themselves of a government of their own choosing.

AS WE SEE IT . . .

(Continued From Page 1)

ization had a candidate constructed of winning qualities, and that the individuals in that organization exhibited overwhelming spirit and ability to work as an overpoweringly convincing and helpful supporting group.

By way of comparison, Hartnell College has a football team which is working for a high goal, as were the Republican party and "Ike." Also, in comparison, this football team is composed of winning material. However, in contrast, the supporting group, the students of Hartnell College, have not shown co-operation with their leaders, or with other individuals in wielding anything resembling an overwhelmingly convincing and helpful group.

In short, that which we are sup-

porting is great in itself; while the way in which the majority of students are supporting it is shameful. Fortunately there are certain individuals who yell when asked to, and participate in car caravans and the like when organized. Just consider how much easier it would be for those who do participate if everyone else exerted half the effort shown by the few sincere ones. Yelling at half strength by 200 people can fool many more than overstraining of the tonsils of 20. Right now we aren't fooling very many onlookers, but we can fool them all if each of us puts forth only half our potential energy.

Are you doing your share to support a deserving winner? Think it over, and then come out and knock everyone dead when you join with your fellow students to show

Evening College Enrolls 1,305

The Hartnell Evening Junior College now has a total registration of 1,305 students, and the Hartnell School of Agriculture and Mechanics has 95 college students presently registered, and in addition the school assumes educational responsibilities for 179 students of the Salinas Union High School District.

These figures are in addition to the 618 regularly enrolled students of Hartnell College, and even without counting them, Hartnell has the highest total registration of any junior college located in the area between San Francisco and San Luis Obispo.

In addition to Salinas, which has 387 students enrolled here at the college, twenty-one other cities are represented by students to Hartnell. These cities, and the number of students from each, are as follows: Watsonville, 84; Santa Cruz, 48; Gonzales, 21; King City, 20; Pacific Grove, 7; Hollister, 6; Morgan Hill, 6; San Jose, 6; Santa Clara, 3; and one each from San Leandro, San Lorenzo, Oakland, Eureka, Tracy, Van Nuys, Berkeley, Colusa, Los Gatos, and Sunnyvale.

your appreciation for the efforts of Hartnell's greatest grid group.

Performers In "Therese" - Tonight

Shown in the picture above, reading from left to right, are Bill Garey, who was originally cast as Camille, but whose last minute accident led to giving way to Paul Edwards; Bernita Merritt, as Madame Louise; and Gladys Fagundes, as Therese.

Interclub Council Plans Action Drive To Enforce Regulations

Clamping down on delinquent clubs and organizations which have ignored, disregarded, or been ignorant of their responsibilities to the Interclub Council is the project now being taken up by active members of that co-ordinating body of Hartnell's student government.

Largely because of the fact that Homecoming plans had to begin with the first Interclub Council meeting of the year, because of the early date set for Homecoming, little time was available for the proper orientation of various clubs to the rules and purposes of the council. Now, with the successful completion of Homecoming, representatives of certain clubs are following the leadership of Lutz Munster, Interclub Council president, in advising all groups as to the procedures which must be followed before any campus activity can be undertaken.

Outstanding among the problems which have arisen this year are consistently bad attendance of Interclub Council meetings by a certain few offenders; (2) failure to pay dues for the year by certain clubs; (3) overlooking the obligation to schedule all activities through the council and to have council approval of all campus activities; and (4) lack of respect for regulations and rules set down by the council.

One result of discussing this problem at the last meeting was the appointment of a committee, under the chairmanship of Claudia Day, to arrange for speakers and programs to appear at the meetings, with subjects pertinent to the solution of Interclub Council problems. All clubs are urged to have their representatives attend

today's meeting, as well as all others, at 12:15. Those clubs which have lost membership because of bad attendance will be named today, and advised as to the procedure which they must follow for reinstatement.

Students Give Time to Drive

Five Hartnell students helped the Community Chest Fund Drive last week by donating their time as drivers of the sound cars. Annabeth Bird, Darlene Rust, Larry Ancheta, Kenneth Beecher, and Gary Harney all gave of their time.

Angela Johnson, executive secretary of the Community Chest, stated that on behalf of the fund, she wanted to thank everyone at Hartnell who helped in the drive. She went on to say that without the help of the instructors and students who gave so generously the drive could never have been so successful. Special thanks went to the Hartnell band with its director, Lorell McCann, which marched in the kickoff parade, and the students who drove the sound cars.

No School Tuesday

Classes will not be held next Tuesday, November 11, in observance of the Armistice Day Holiday. Because of this, no Panther Sentinel will appear next Friday, November 14.

There's lots of excitement around the dance floor—greeting old friends, making new ones. Part of the fun of campus parties is the pause to enjoy a Coke. It's delicious...refreshing, too.

Alum Playing Ball For Infantry Team In Japan

Army Corporal Loren J. Green, whose wife, June JoAnn, lives at 121 Winham Street, Salinas, is now playing guard for the 34th Infantry Regiment's football team in Japan.

Nicknamed the "Dragons," the squad is competing in the Far East Command Army League and has already won three games without a defeat. Many of the players are former college and professional stars.

Green played two years of football at Hartnell College. Before graduating from Salinas high school in 1948, he was chosen on the all-conference team for two seasons and named captain in 1947.

Green, the son of Mr. and Mrs. John A. Green of 112 Rochex Street, Salinas, is a squad leader in Company F, Second Battalion of the 24th Division's 34th Infantry Regiment.

Before entering the army in April, 1951, he was a clerk at the Salinas Sports Shop.

High Schools Given Free Passes For Grid Games

In order to promote the interest of possible future students of Hartnell at each of the home games, the college has played host to the students of one or more of the high schools in this junior college district.

Each week the students of the selected high school are admitted free to the game, and their student body cards are recognized at the after-game dance. The students who attend the games under this plan are not restricted to any certain section of the stadium, but are allowed to sit anywhere they wish except for the roped-off areas reserved for the alumni or the rooters.

The students of Salinas high school were invited to the Porterville game and the students of Gonzales to the Contra Costa contest. For the next game, Hartnell versus San Francisco State Jayvees, the students of Gilroy, Watsonville, Santa Cruz, King City, and Live Oak high school in Morgan Hill are invited to attend.

This plan was originated by the high school problems committee of the commission in order to promote better public relations and to interest high school students in attending college at Hartnell after

their high school graduation. To publicize the plan the committee sends posters and an ample supply of free passes to the schools as well as notices for the bulletins and school papers.

INSURANCE . . .

(Continued From Page 1)

in order for the policy to be effective.

The policy will pay up to \$500 for medical treatment, hospitalization, the hire of a trained nurse, or burial expenses.

This plan for the student insurance was instituted this year. Up until this year only the athletes were insured; but when it was discovered that it was costing \$1,000 to insure only part of the students and all could be insured for only \$500 more, the policy was changed.

CAMPUSOLOGY

By KLINGENSMITH

One sad note that offset the harmonious festivities of last week's Napa game and Homecoming, was the tragic death of Napa's commissioner of athletics, Hugh Fruehauf. Huge was fatally injured in an accident the week before their Homecoming, while returning from a student government conference in Modesto.

Although Hugh was unknown to any of the Hartnell students, his personality left a fond remembrance in the air of Napa, and we're sure the Associated Students of that school will always remember Hugh, not only for his untiring work in the field of athletics but as well for his congenial way with his fellow schoolmates.

Hugh was riding with the student body president, and one of the top members of the football squad. Both were hospitalized after the accident. We might take a little time out, and make a note to be extra careful on our forthcoming trips to distant games: "You may save a life."

While speaking of last week's events, this writer might add that Napa put on one of the finest dances seen in "these here parts" for quite a spell (omitting, naturally, Hartnell's). Napa boasts about the friendliest bunch of beings we've run up against yet; and it will be a pleasure to whoop it up with the Chiefs any time in the future!

Hey! Girls, did you know that during puberty your IQ increases far faster than that of your male chums. But when puberty is passed, it's just plain neck and neck all the way.

Summer School In Norway Designed For Americans

The University of Oslo will hold its seventh summer school from June 27 to August 8, 1953. While designed for American and Canadian students who have completed at least their freshman year in any accredited college or university, the summer session is open to English-speaking students of other nationalities. A special feature of the 1953 session will be an institute for English-speaking teachers (open to all nationalities) similar to the ones held in 1951 and 1952.

The University provides outstanding lecturers and maintains highest educational standards. All classes will be conducted in English and an American dean of students is on the administrative staff.

Students may choose courses in four fields: (a) General Survey of Norwegian Culture; (b) The Humanities; (c) Social Studies; (d) Education System of Norway.

Single students will live in the Blindern Students' Hall and married couples in private homes. Meals are served in the cafeteria on the campus. Afternoon field trips and museum visits, also weekend excursions are arranged. Six semester-hour credits may be earned in the six-weeks' course, and the session is approved by the U.S. Veterans' Administration. Applicants should have completed their freshman year not later than June, 1953. A limited number of scholarships are available for the summer school.

Students of the summer school will leave New York on the "S.S. Stavangerjord" June 16, 1953. Reservations for return trip are available August 12 and 25 and September 8 and 22, 1953.

For catalogue of courses, preliminary application material, or any further information, write Oslo Summer School Admissions Office, in care of St. Olaf College, Northfield, Minnesota.

Azcona Puts Juke Box In Cafeteria

On October 13, 1952, the Hartnell Student Commission passed a resolution placing the care of the cafeteria jukebox entirely in the hands of the donor, Bob Azcona.

The jukebox was donated by Bob, whose father owns a jukebox business in King City, and was placed in the coffee shop side of the cafeteria after being accepted by the commission.

Azcona and the jukebox company have complete care of the machine, the records, and upkeep, and in return get 60 per cent of the profits. The Associated Student Body is therefore freed of the job of handling the machine, has put out no money at all for it, and gets 40 per cent of the profits from it. The jukebox is placed in the cafeteria for the enjoyment of the students, and the money taken in from it will be used to increase the A.S.B. budget funds.

Grad Bob Dragoo Killed in Korea

Friends of Robert Dragoo of Eugene, Oregon, were much saddened to hear of his death in Korea, August 30. Bob was killed by a land mine which exploded during training exercises, according to the word from Bob's parents.

Bob attended Hartnell for two years from 1948 to 1950, during which time he acquired many Salinas friends. A letter was sent to Hartnell by his buddy, Dean Davidson, and was posted on the bulletin board informing Hartnell students of Bob's tragic death.

Bob entered the army in 1951 and had been in Korea only five weeks before he was killed.

Hartnell Nips Napa; Tomorrow Is Coach Franci Night

SIDELINES

By CHAZ

We heard many people making a large amount of noise when they heard of the score at Napa last Saturday. They immediately began sobbing because Hartnell failed to run up a large, one-sided score against a team that was supposed to be doing well if it even showed up. They continued their complaining by assuming that the Panthers, as a result of their "near loss," no longer had a chance of being invited to a postseason bowl game.

First, Hartnell now is the only major undefeated J.C. in the state. Previous to last week's games there were three teams from Southern California that boasted unblemished records. But last week Compton beat Pasadena, 26-0; Santa Ana defeated San Bernardino by a score of 34-12; and Riverside came out on top of Fullerton, 20-12. The last score is especially interesting because Hartnell played Riverside earlier this year and won, 26-12. Another fact worthy of notice is that two of the scores were very decisive, thus leaving no room for excuses or alibis.

Secondly, Napa was definitely "up" for the contest and Hartnell was just as definitely "down." The Chiefs were celebrating their annual Homecoming while the Panthers were recovering from a terrific physical outlet in the Contra Costa game.

In addition the game was hardly so close as the score seemingly indicates. Hartnell chalked up 15 first downs to 10 for the Chiefs; Napa made four first downs in the final quarter to the Panthers' one. In the rushing department the Harts recorded 359 yards to only 81 for the opposition. The home team could score in no period save the last while their visitors had

Harts Host JV's From Bay Area

Striving to continue as an undefeated team, the Hartnell Panthers host the San Francisco State J.V.'s tomorrow night at the Salinas high school stadium. Marty Norman will act as game captain on the offensive eleven; Leon Snider is slated to lead the locals when they are on defense.

San Francisco operates from a standard "T" formation on offense and is said to number among its players some very good material. Its schedule has consisted of games with junior colleges, up to this point, of which they have lost more than they have won.

Panther halfback and hard runner, Clive Bullian, who did not play at all in the Napa game, will see action only on defense. Other questionable starters are Bob Scofield and Ken Van Cleave who sustained minor leg injuries against Napa. Chuck Dillard also was hurt in the game with the Chiefs, but Coach Voris states that he will be ready to go by tomorrow. The rest of the squad is in good shape for the San Francisco game. The kickoff is at 8.

three touchdowns before the end of the third quarter. The important matter is that our team won, and the score is only secondary to that fact.

We heard that the men from Hartnell who competed in archery at the recent Sports Day at San Mateo J.C. compiled a high enough score to walk away with team honors. Bob Moger was the highest individual scorer among men at San Mateo, and Dolores Sanchez and Judy Crabtree placed fifth in the women's division of archery. Because, perhaps, of their previous evening's activities, four young ladies arrived on the scene too late to compete in the events of the day.

Hartnell, San Mateo, Marin, Napa, Santa Rosa, and San Francisco City College sent representatives to the affair last Saturday. All pronounced the Sports Day a success and eagerly await the next one, which will be held at San Francisco on December 6.

Coach Franci Has Donated His Time

The game to be played with the San Francisco State J.V.'s here tomorrow night has been acclaimed "Henry Franci Gift Game."

Franci is being honored for his services to the Hartnell football teams of the last three years. He has been present at all of the grid practice sessions, acting as line coach, and he also helps by acting as a member of the coaching staff

COACH FRANCI

at all of the Harts' contests. Henry has been putting in all of this time "gratis" for three past years, and it is felt that it is time he received something more material than just due credit.

Local anonymous citizens have been donating gifts and money to buy gifts for Franci. The members of the squad will have something in store for Franci and the Hartnell Student Body will make a presentation, also.

The gifts being appropriated are intended to be just small tokens of the great appreciation that is felt for the grand job that Franci is doing. Hartnell players and fans alike, think he is terrific and are proud to have him on the coaching staff.

The gifts will be presented at the halftime period of the football game. Everyone is urged to be there for the occasion.

Panthers Defeat Chiefs, But Score Is Too Close

Hartnell just got by the Napa Chiefs last Saturday at the Memorial Stadium at Napa by a one-touchdown margin, 19-14.

The Harts entered the contest looking for a massacre, but came out of the tilt lucky to have their scalps. The victory

NORMAN

SNIDER

Statistics were:

	H.	N.
First downs	15	10

Scoring:

Hartnell	0	7	12	0	19
Napa	0	0	0	14	14

Harts Travel To Marin for Game

The Panthers journey to Kentfield Saturday, November 15, to engage the Mariners in the third conference tilt of the season.

The Marin squad has lost to both Monterey and East Contra Costa, but these two are good clubs, and this fact does not rate Marin a cellar club because of the two defeats.

Hartnell will enter the contest a favorite, but figure to spend a tough evening with the Mariners.

Stomp San Francisco

was Number 7 for the Panthers, leaving them still the only undefeated, untied team in the Northland, but it was their least impressive showing to date.

Hartnell took the lead seven minutes in the second quarter, marching 52 yards in seven plays for pay dirt, with Bob Scofield capping the drive with 17 yards up the middle. Norman converted, leaving the count 7 to 0. Play in the contest up to this point had not been at all impressive for the highly favored Panthers.

Halftime came with the score still 7-0, but in three minutes of the third stanza the Panthers produced number two. The Harts took the kickoff on the 18 and brought it to the Chiefs' 42. Marty Norman took care of things for them, racing around end for 42 and 6. Norman's conversion attempt was short, and it was 13-0, Hartnell.

Scofield scored the Panthers' final in the last seconds of the third period, crashing over from two yards out. The Harts drove 42 yards for this one, highlighted by a 38-yard dash by Don Benedetti. Norman again missed the extra point, accounting for the Panthers' total of 19.

The fourth stanza started with Hartnell still having a comfortable 19-point gap, but the Chiefs came to life and did slightly more than scare the Panthers.

With 10 minutes remaining, Art Thompson passed two yards to Hoxsey in the end zone to climax a fine aerial assault by Thompson, good for 62 yards in five plays. Thompson converted for the seventh point. The Chiefs got their final TD with only a minute and a half left, after taking over a fumble on the Hartnell 30. Thompson again tossed to Hoxsey in the end zone for the marker and Stewart converted. The Panthers ran out the clock for the final minute and a half to maintain the slight 19-14 lead.

HAMPERED BY INJURIES

The Panthers did without the services of star back, Clive Bullian, and also Irvin Verret. Had these boys been in the game, the statistics would have no doubt been more in favor of Hartnell. Tony Teresa played with a cast on his left hand, after suffering a broken bone last week, and ace defensive lineman Art Froli received a smashed lip in the game, and will be out for a few days.

Marty Norman turned in a fine performance for the Panthers, after being hampered with a bad leg for the last two contests and Art Hernandez showed some fine offensive running from the halfback spot, his first since he broke a thumb in the first game of the year.
